

Visit of Lille Center 18 May 2017

Gourmet Old Lille

Immerse yourself in Lille's most charming district, where architecture, shops, museums will seduce you !

Stroll around the streets and the squares to discover the heritage, the history and "art of living" of the town through its main sites and monuments: the Palais Rihour, the Main Square, the old stock exchange, the Opera House, the Chamber of Commerce, the Notre-Dame de la Treille cathedral.

After a tour that reveals the architectural aspects of the city, the tour ends near the Hospice Comtesse, founded in 1237 by Jeanne de Flandre, which displays works from Lille's past (objects from every day life, wood sculptures, earthenware, furniture and paintings).

... c center, a little treat as you bite into a Meert mini-waffle, the perfect recipe to enjoy discovering Lille.
